

DEAR LADIES AND GENTLEMEN,

DEAR FRIENDS AND COLLEAGUES,

In celebration of the Global Elections Day on February 1st, we wish to express our satisfaction that we are one of the bodies called to guarantee the exercise of the fundamental democratic right – the right to vote.

This right is a high achievement of democracy and its exercise is an expression of the citizens' free will and their engagement towards the government.

Ensuring the legitimate and free exercise of the voting right is the highest duty and responsibility of all election management bodies.

We wish you health, fruitful work and success!

Happy holiday!
